Nice remote control | 3-channel

Product Images

Short Description

This 3-channel remote control is extremely suitable to combine with our BAS sets and Nice LED Receiver. You can also use the same remote control to operate your Nice sun blinds and shutters, for example. A wall holder and batteries are included.

Description

Would you like to control your BAS set with a 3-channel Nice remote control? Then this is the remote control you are looking for! The other free channels can be used to operate other Nice controlled equipment. Think of blinds and shutters.

Please note: To operate the LED spots with this remote control, you need to have a Nice LED receiver. You do not have a Nice LED receiver, but do you need it? Order it through our webshop.
