Product Images

Short Description

The black Toledo LED recessed spotlight shines a warm white colour (2700k) and has an output of 3 watts. The spot is dimmable and you can tilt it to the desired position.

Description

Are you looking for a new recessed LED spot in your home? This tiltable and dimmable Toledo LED downlight is highly recommended. This recessed spot saves you money through its high number of operating hours and its energy efficiency. This recessed spot is environmentally friendly and the warm white light will create a pleasant atmosphere in your home.

The LED downlight is suitable for every room in your house. This is because this black spot has an IP-value of 44 (IP-44) and its stylish design matches every kind of interior. When you order this Toledo recessed spot, don't forget to look at the accessories. With the hole saw (size 42 mm), you can make holes in your ceiling that fit the Toledo spotlight perfectly.

You can operate the recessed spotlights in several ways. All options are listed below:

- LED rotary dimmer Atlas
- LED push dimmer Novex
- Moon remote control
- App (free access with purchase of wifi LED receiver)

Tip: while mounting the spot, keep in mind that the spot and the transformer need 2mm of play.

You can read more about this Toledo spotlight under product specifications. Is your question still unanswered? Ask our LED specialists. You can do this by phone, email or via the chat window.
