

LED transformer | connector 6-hole | serie | 15 watt | 700 mA

Product Images

Short Description

This Hamulight LED transformer is suitable for the porch BAS sets with 4 or 6 LED spotlights. The transformer has a 6-hole Serie connector.

Description

Do you need a transformer for your porch BAS set and does your set have 4 or 6 LED spotlights? Then this is the right transformer! This transformer ensures that the incoming 230 Volt is converted to a safe low voltage (3.6 Volt).

Please note: you must plug at least 3 spotlights into this connector. And all connections without spots must be filled with jumpers.
