

LED transformer | connector 12-hole | serie | 36 watt | 700 mA

Product Images

Short Description

This Hamulight LED transformer is suitable for the porch BAS sets with 8, 10, or 12 LED spotlights. The transformer has a 12-hole Serie connector.

Description

Are you in need of a transformer for your porch BAS set and does your set have 8, 10, or 12 LED spots? Then this is the right transformer! This transformer ensures that no 230 volts, but a safe horizontal voltage of 3.6 volts run through the beams of your porch.

Please note: you must plug at least 4 spotlights into this connector. And all empty connections without spots should be filled with jumpers.
