

## Cable connector I | waterproof | 2-3 pole

### Product Images

---

### Short Description

---

With this I-shaped waterproof cable connector, you can connect 2-3 pole 230-volt cables. This cable connector is therefore extremely suitable for use in the garden. The cable thickness should be 5-10mm.

### Description

---

With this waterproof cable connector, you can connect a 230-volt power cable to 230-volt garden lighting. Please note that on both sides of the cable connector, the power cables are mounted in the same way.
