

Extension cable decklight | 2 meter | 2 watt

Product Images

Short Description

This extension cable is suitable to extend the wiring of the Alfena Decking Lights set. The length of this cord is 2 meters.

Description

Have you ordered an Alfena decking spotlight set and do you need more weatherproof cabling? Then this is the extension cord you are looking for. This extension cable is equipped with the same coupling as the Alfena decking spots and the transformer. You can therefore easily assemble this cable.
