

Cree LED recessed spotlight veranda Valencia los | warm white | 3 watt

Product Images

Short Description

This separate spotlight from the Valencia series serves as an addition to your current Valencia porch set.

Description

Would you like to expand your current Valencia porch set by Hamulight? Then this is the spotlight you need. Check whether you can expand the set at all. You can do this by looking at the connector (attached to the transformer). Are there any free connections? Then it is possible to fill the free connections with spots.

Please note: if there is a jumper in a connection, this is also regarded as a free connection and can be replaced by a separate spotlight.

Additional Information
