

Nice remote control | 1-channel

Product Images

Short Description

This 1-channel remote control is ideal to combine with our BAS sets and Nice LED Receiver. A wall holder and batteries are included.

Description

Would you like to control your BAS set with a 1-channel Nice remote control? Then this is the remote control you are looking for! Batteries and a wall bracket are supplied as standard.

Please note: To operate the LED spots with this remote control, you need to have a Nice LED receiver. You do not have a Nice LED receiver, but do you need it? Order it through our webshop.
