

Steinel twilight switch | 2000 | black | 1000 watts

Product Images

Short Description

This twilight switch 2000 is suitable for combining with our 230-volt garden lights. The twilight switch reacts to ambient brightness.

Description

The twilight switch 2000 reacts to the ambient light intensity and switches the connected lighting automatically ON when the switch level is reached, and OFF when it becomes light again. You can set the switch-on level yourself.

This switch works on 230 volts and can be used for our 230-volt garden lights.

Additional Information

Article number	L2323
EAN code	7435839850848
