

Cree LED recessed spotlight Toledo bas | tiltable | warm white | set of 4, 6, 8, 10 or 12 pieces

Product Images

Short Description

This BAS set with stylish Cree LED recessed spotlights from the Toledo series is specially designed for verandas. The Toledo BAS set is available with 4, 6, 8, 10 or 12 LED recessed spotlights (3 watts) with a serie LED transformer and connector. The recessed spotlights are dimmable and tiltable. This set is suitable for wooden and aluminium porches.

Description

The Cree LED recessed spotlights Toledo are dimmable and tiltable. So, you can light a certain spot on your porch to shine. The light colour of this beam is warm white (2700k). The recessed spotlights come with a 5-metre cable. The cables are double insulated, reducing the risk of cable breakage. With a recessed dimension of 42 mm, a height of 36 mm and a diameter of 50 mm, this set is suitable for many porches. This set is suitable for aluminium and wooden porches.

The recessed spotlights of the Toledo BAS set can be operated in various ways, namely via the Atlas LED rotary dimmer, the Novex push dimmer, the Moon remote control and/or the Hamulight app. Make sure you order one of these control options to operate the spotlights. If you want to operate the spotlights via the Novex, Moon and/or Hamulight app, you should also order the wifi LED receiver. When you buy the wifi LED receiver, you get free access to the app.

Make this set smarter? That's possible! You can connect this set to a twilight switch or motion detector. Handy for in a carport. Both are available on our webshop.

Convinced by this Cree LED downlight Toledo BAS set and want to place an order? Then also consider the accessories of this set. With a wall box, you can hide the transformer nicely and safely and a hole saw (size 42 mm) helps you to make holes in the beams of your veranda. Are 5 meters of cable per spotlight not enough for your porch? Then you can always order an extension cord.

Tip: We recommend giving the spots 2 mm play. Take this into account when deciding on the height of the recessed spots.

The Toledo BAS set has a 3-year guarantee. More information on this set can be found under product specifications. Do you need more than 12 recessed spots on your veranda? Then feel free to contact us and we will advise you on how best to go about it.

Additional Information
