

Cree LED recessed spotlight veranda Toledo io | tiltable | warm white | set of 6, 8, 10 or 12 pieces

Product Images

Short Description

This Somfy IO set with Cree LED recessed spotlights from the Toledo series are specially designed for porches. The Toledo IO set is available with 6, 8, 10 or 12 LED recessed spotlights (3 Watt) with Somfy IO serie LED transformer and connector. The recessed spotlights are dimmable and suitable for aluminium and wooden porches.

Description

The Toledo LED recessed spotlights are tiltable and dimmable. This gives you the possibility to shine the light beam on a certain spot on your porch. The light colour of this beam is warm white (2700k). The recessed spotlights are equipped with a 5-metre cable. The cables are double insulated, which makes the chance of a cable break very small. With a recessed dimension of 42 mm, a height of 36 mm and a diameter of 50 mm, this set is perfect for many porches.

This set includes the Somfy IO transformer with a series connector. The recessed spotlights in this set can be operated with a Somfy IO 5-channel remote control. This should be ordered separately from our webshop. This also applies to the Somfy IO LED receiver. You need this receiver to communicate with the Somfy IO remote control. Do you already have a multi-channel Somfy IO remote control and do you have a channel left? Then you can also use your current Somfy IO remote control to operate this set. You still need to order the Somfy IO LED receiver.

Are you convinced by this Somfy IO set and do you want to place an order? Then also check out the handy accessories for this set. For example, a hole saw (size 42 mm) can help you make holes in the beams of your porch and an extension cord offers help if you have too little wiring. And do you not know where to put the transformer with a connector? Then order a wall box as well. This allows you to hide the transformer safely.

Tip: We recommend giving the spotlights 2 mm clearance. Take this into account when deciding on the height of the recessed spots.

The Toledo IO set has a 3-year guarantee. Do you need more than 12 recessed spotlights on your porch? Then feel free to contact us and we will advise you how to best do this.

Additional Information

Article number	L2071
EAN code	7435124528537
