

## Cree LED recessed spotlight veranda Sevilla io | warm white | set of 6, 8, 10 or 12 pieces

### Product Images

## Short Description

---

This Somfy IO set with Cree LED recessed spotlights from the Sevilla series is suitable for aluminium and wooden porches. The recessed spots are available in sets of 6, 8, 10 or 12 dimmable LED recessed spots (3 watts), including Somfy IO series, LED transformer and a connector.

## Description

---

The Sevilla LED recessed spots have an IP value of 44 (IP44). This means that the recessed spotlights are well protected against dust and splash water. With their warm white light (2700k), the recessed spots in this set create a cosy and pleasant atmosphere on your porch. Each spotlight comes with a 5-metre-long, double-insulated cable. This allows you to easily lay the cables from the spots to the transformer with a connector and then plug the spots into the connector. The Sevilla spots have a built-in dimension of 35 mm, a height of 36 mm and a diameter of 41 mm. Please allow 2 mm clearance at the rear of the recessed spots.

To combine this set with Somfy IO, you need to add the Somfy IO LED receiver to your shopping basket separately. This also applies to the Somfy IO 5-channel remote control. With this remote control, you can switch the spots on and off and dim them to the desired setting. Do you already have Somfy IO-controlled equipment in your home and do you operate it with a multi-channel remote control? Then you can also use your current remote control to operate this set. However, you still need to order the Somfy IO LED receiver.

Are you interested in this set? Then don't forget to look at the accessories for this set. A hole saw (size 35 mm) can help you mount the spotlights, and if there is not enough cabling, an extension lead will come in handy. Would you like to hide the transformer and connector nicely and be watertight? Then our wall boxes are highly recommended!

Tip: don't forget to add the Somfy IO 5-channel remote control and the Somfy IO LED receiver to your shopping basket.

You receive a 3-year warranty on the recessed lights from this Somfy IO set. You can read more product information under product specifications. Would you like to install more than 12 recessed spots on your porch? Ask our LED specialists for advice. They can tell you exactly how to do this.

## Additional Information

Article number	L2139
EAN code	7435124538512
Brand	Hamulight
