

Cree LED recessed spotlight veranda Pals io | warm white | set of 6, 8, 10 or 12 pieces

Product Images

Short Description

This Somfy IO set with Cree LED recessed spotlights from the Pals series is specifically designed for porches. The spots are available in sets of 6, 8, 10 or 12 dimmable recessed spots (3 watts). A Somfy IO serie transformer with a connector is included in this set. This set is extremely suitable for wooden porches, but can also be used for aluminium porches.

Description

The recessed lights from this Pals Somfy IO set have a build-in dimension of 30 mm, a height of 30 mm and a diameter of 38 mm. With these dimensions, the downlights fit perfectly in most porches. These spots have a warm white light colour (2700k) and will create a warm atmosphere on your porch. Each spotlight is equipped with a 5-metre single-insulated cable. The advantage of a single-insulated cable is that the cable is thinner, so you only need to drill small holes in the beams of your porch for the cable to fit through. This way your porch retains its firmness.

The recessed spotlights of this set are operated with a Somfy IO remote control. This has to be ordered separately from our webshop. This also applies to the Somfy IO LED receiver. You need this receiver to communicate with Somfy IO. Do you already have a multi-channel Somfy IO remote control and do you have a channel left? Then you can also use your current Somfy IO remote control to operate this set. You still need to order the Somfy IO LED receiver.

Are you convinced by this Somfy IO set and would you like to place an order? Then also consider the handy accessories for this set. For example, a hole saw (size 30 mm) can help you make holes in the beams of your porch and an extension cord offers help if you have too little wiring. Have you not yet found a suitable place to safely hide the transformer and connector? Then a wall box is highly recommended.

Tip: don't forget to add the Somfy IO LED receiver and, if required, the Somfy IO remote control to your shopping basket.

The recessed spotlights in this Somfy IO set are covered by a 3-year guarantee. You can find more details in the product specifications. Do you need more than 12 downlights on your porch? That's possible! Ask our LED specialists for advice on how best to go about this.

Additional Information

Article number	L2231
EAN code	7435124551559
Brand	Hamulight
