HAMULIGHT

Aragon io | recessed spotlight | round silver | warm white | set of 6, 8, 10 or 12 pieces | OutdoorCore+

Product Images

Short Description

This Somfy IO set with Cree LED recessed spotlights from the Aragon series is specially designed to operate in porches. This set is available with 6, 8, 10 or 12 dimmable recessed lights of 3 Watts. Also included in this set is a Somfy IO serie LED transformer with a serie connector. This set is suitable for aluminium and wooden porches. The Somfy IO LED receiver and remote control must be ordered separately to operate the lighting.

Description

The stylish recessed spots from this Aragon set have small dimensions. As a result, the spots fit on almost any porch. The recessed size of the spots is 28 mm, the height 20 mm and the diameter 33 mm. With their warm white (2700k) light, these spots ensure that your porch is pleasantly lit. Each recessed spotlight comes with a 5-metre cable. These cables are double insulated so they are well protected against cable breakage and damage.

To operate this set with a Somfy IO 5-channel remote control, you will need to add the Somfy IO LED receiver separately to your order. This also applies to the Somfy IO 5-channel remote control. With this, you can switch the spots on and off and dim them to the desired setting. Do you already have Somfy IO-controlled equipment in your home and do you operate this with a multi-channel remote control? Then you can also use your current remote control to operate this set. However, you still need to order the Somfy IO LED receiver.

Are you interested in this set? Then don't forget to look at the accessories for this set. For example, a hole saw (28 mm) can help you mount the spotlights, and if there is not enough cabling, an extension lead is a good idea. Would you like to hide the transformer and connector nicely and be watertight? Then our wall boxes are a good option.

Tip: don't forget to add the Somfy IO LED receiver and, if required, the Somfy IO remote control to your order.

The spotlights in this set are covered by a 3-year guarantee. Do you need more than 12 recessed spots to light your porch? That's possible too, of course! Ask our LED specialists for advice on how best to go about this.

Additional Information

Article number	L2234
EAN code	7435124553515
Brand	Hamulight
