

## Somfy io remote control | Situo 5 variable A/M io Pure II | 5-channel

### Product Images

## Short Description

---

This 5-channel Somfy IO remote control is perfect for combining with our LED strips. You can also use this remote control to operate your Somfy IO-controlled sun blinds and roller shutters, for example. Wall mount and batteries are included as standard.

## Description

---

With this 5-channel Somfy IO remote control, you can operate our LED strips. As this is a 5-channel remote control, you can use the remaining channels to operate, for example, Somfy IO-controlled sun blinds or roller shutters. So you can control multiple Somfy IO-controlled devices with this remote control.

Please note: to operate your Avila or Denia LED strips with this Somfy IO remote control, you also need to order a Somfy IO LED receiver.
