

Sharp LED recessed spotlight Granada | warm white | 4 watt | dimmable | tiltable | different colours

Product Images

Short Description

The LED recessed spotlight Granada is a dimmable 4-watt spotlight that shines with a beautiful warm white light colour (2700k). Furthermore, this spot is also tiltable.

Description

This versatile Granada LED spotlight is a versatile LED spot. The Granada recessed spotlight is dimmable, which means that you can dim the spotlight using, for example, an LED dimmer. Furthermore, the spot is tiltable so you can shine the light beam in the desired direction. The IP54 value of the Granada spotlight makes it possible for you to place this spotlight in every room of your home. This is because the spot is resistant to dust and splash water.

The Granada spot is so energy-efficient that you can replace your old 30-watt halogen lamps with this spot. This spotlight saves a lot of money. You can earn back the purchase price of this spotlight within a year. And if you make use of the quantity discount on this spotlight, you will be even more economical!

The small LED transformer that is supplied as standard is equipped with a brown and blue cable. This allows you to connect the transformer directly to the power cable. On the other side is a connection piece. The Granada spotlight is equipped with the same coupling piece and with this you can also click the spotlight to the transformer. The transformer converts the incoming 230 V into a safe low voltage.

There are various methods of operating the Granada recessed spotlights. Below is a list of all available options:

- LED rotary dimmer Atlas
- LED push dimmer Novex
- Moon remote control
- App (free access when purchasing wifi LED receiver)

Under accessories, by the hole saws, you will find the perfect size (53 mm) for making holes where the spotlight fits exactly.

Tip: Cut off the power before you start assembling the Granada recessed LED spotlight.

When you order this Granada recessed spot, you will benefit from the 3-year warranty on the spot. Would you like to know more about the Granada recessed spotlight? Then look under the heading specifications. Do you still have questions? Contact us by calling, emailing, or sending a message via chat. We are available every working day from 09:00 to 17:00.
