

Cree LED recessed spotlight Toledo in | white light | 3 watt | dimmable | tiltable

Product Images

Short Description

The Toledo in LED recessed spotlight has an output of 3 watts and shines (4000k) white light. This spotlight is dimmable and tiltable.

Description

The Toledo recessed spotlight (with white light) is a true all-in-one. Because the spotlight is dimmable and tiltable! So you control the direction of the light beam and the amount of light the spot shines. The Toledo has a protection rating of IP-44, allowing you to place the spotlight in any room of your house.

With a recessed size of 42mm, a height of 35mm and a diameter of 50mm, the Toledo fits (almost) any ceiling. The stylish design and aluminium colour also ensure that the Toledo fits (almost) any interior. With a 45-degree beam angle, the Toledo illuminates a wide area.

The Toledo LED downlight comes with an LED transformer as standard. This Toledo spotlight and the transformer have the same coupling piece, making it easy to click them together. The transformer should be connected directly to the power cable and ensures that a safe low voltage is transmitted to the Toledo recessed spot.

You can operate the spotlights in different ways. All options are listed below:

- LED rotary dimmer Atlas
- LED push dimmer Novex
- Moon remote control
- App (free access with purchase of wifi LED receiver)

Do you still need to make holes for the downlights? Then order a hole saw (size 42 mm) to make perfectly sized holes.

Tip: make sure to disconnect the power during installation and give the built-in spotlight and transformer 2 mm clearance to allow the heat to escape.

More product specifications can be found under the heading specifications. For questions and/or advice, please feel free to contact our LED specialists.

Additional Information

Article number	L2381
EAN code	8721122620298
Brand	Hamulight
LED chip	Cree
Spot color	Aluminium
Suitable for	Inside
Suitable i.c.w.	A switch, LED rotary dimmer Atlas, LED pressure dimmer Novex, remote control Moon, the Hamulight app
Also compatibel with	Google Home & Amazon Alexa
Consumption	3 watt
Input voltage	230V AC
Light color	White (± 4000K)
Lumen per LED (including lens)	155 lm
Color Rendering Index (CRI)	>82
Light angle	45 Degrees
Dimmable	Yes
Tiltable	Yes
Cabling per LED	10 cm
Transformer required?	Yes (standard included)
Dimensions transformer	38 x 26 x 21 mm
Circuit	Parallel
Diameter	50 mm
Height	35 mm
Hole size	42 mm
Material	Aluminium
IP value	IP44
Quality mark	CE, Rohs
Warranty	Spots: 3 years, Trafo: 2 years

Energy label old	A++
Energy label new	G
